Program Guidelines

Community Health & Dental Care is constantly striving to provide the highest quality care for our patients.

At times, patients are unable to keep their scheduled appointments due to unforeseen transportation barriers.

With the addition of our transportation program, patients are now able to schedule free shuttle service to and from the Health Center.

Patients 18 years and older who would like to join the program will be asked to sign a general release and waiver of liability form and fill out a brief questionnaire. A photo ID badge will be issued upon joining the program and must be presented to the driver in order to gain access to the shuttle.

[A nominal replacement fee will be charged if lost or stolen.](#)

Once enrolled, please call (610) 326-9460 to schedule your appointment. A scheduler will be available to assist patients with this process. If shuttle service is canceled or delayed for any reason, patients will be notified or you may call the health center to confirm the schedule.

It is the patient's responsibility to secure alternate means of transportation when necessary.

Please note that CHDC policies and patient responsibilities apply when utilizing the shuttle service. CHDC reserves the right to discharge a patient that does not adhere to these policies. If the shuttle driver feels threatened in any manner 911 will be called and the rider will be dismissed from the program.
