

Healthcare on the Street Donation Drive

We are collecting items to benefit the Street Medicine Program, which works to provide primary and urgent care to those experiencing homelessness in Pottstown Borough wherever they reside- whether that be a tent in the woods, a homeless shelter, or on the street.

Our Street Medicine Team will distribute the donations.

Who: Staff, patients, and community are welcome to participate! Collection bins will be placed at all CHDC locations

What: See list of requested items below

When: Monday, July 29th to Friday, August 9th
