**CHDC EXPANDS DENTAL ACCESS AT ITS WOMEN'S HEALTH MEDICAL OFFICE**

Pottstown – Community Health & Dental Care (CHDC) is pleased to announce its expansion of dental services to its Women's Health OB/GYN office at 700 Heritage Drive, Pottstown, 19464. Full dental exams and x-rays are available as well as restoration and cleanings.

CHDC added dental services to the first floor of its Women's Health OBGYN 700 Heritage office so patients can conveniently integrate a dental hygiene appointment on the same day as their women's health or obstetrics appointment. At 12 weeks of pregnancy, OB patients will be scheduled for an integrated dental appointment to ensure good dental health throughout the term of pregnancy.

The added dental services at 700 Heritage will also be a convenient option for clients of WIC (Women, Infants and Children) Nutrition Program who CHDC subleases space to on the first floor. WIC, promotes the health of women, infants and children by giving food and nutrition education to pregnant and breastfeeding women and their infants and children. WIC services include nutrition education, healthy food vouchers, breastfeeding support, farmer's market vouchers, and more.

New patients are welcome and encouraged to call! To schedule a dental appointment, please call 610-326-9460 and a member of our friendly staff will assist you. If you are pregnant and would like to schedule an Obstetrics appointment, please call 484-941-9989.
