

# Physical Therapy for Autism: Educational Event at CHDC

**April is Autism Acceptance Month and you're invited to join CHDC Physical Therapist, Leeat Adlersberg, for an open house event about the importance of Physical Therapy for Autism.** Individuals with autism may face physical difficulties (things like motor skills, coordination, and fitness) that can be improved with physical therapy. Register for this event to learn how Physical Therapy at CHDC can be a part of your care plan!

- CHDC Physical Therapy & Autism Guide
- Equipment demonstrations & stretches
- Learn about treatment plans at CHDC
- Direct access scheduling
- Medicaid accepted!
- Light refreshments
- All are welcome, you don't need to be a CHDC patient to attend! Registration requested.
